### **Alpha Apex Global Limited is Offering New Investors an Opportunity of a Lifetime.**

Alpha Apex Global Limited, (Hong Kong), the largest private placement and Pre IPO broker based upon capital raised, announced today that its board of directors has agreed to place existing clients and also is welcoming new clients for what is set to be a record-breaking last quarter of the year for the global Initial Public Offering markets.

Alpha Apex Global will be opening its doors to new investors and providing a fantastic opportunity to be part of potentially 3 of the largest IPOs to debut in the US and Hong Kong in 2019 and 2020. AAG has been a major player in the IPO market since its inception 5 years ago.

Its most successful placement for clients was Alibaba Group IPO. The Hangzhou-based ecommerce raised a total of \$25 billion in the US, making it the largest global offering.

Chief Financial Officer – Victor Kauffman mentions, “Our company has seen rapid growth due to the due diligence and careful planning of our senior analysts who have not only cherry-picked some of the finest investment vehicles to date but has provided AAG with the platform to continue our success for our company and of course our highly valued clients across all divisions. It must also be said that we have a team of 750 very hard working and passionate asset managers, who provide a full brokerage service to more than 3000 clients.”

Alpha Apex Global Limited has a small but impressive client base and a fast-growing number of global partners. The team has grown significantly over the 5 years it has been in business and, in doing so, has brought tremendous value to the financial sector and the IPO market itself. The company is in a prime position within the private equity market and has a wealth of experience in the Pre-IPO market, and with independent analysis confirming that the next 18 months within the Pre IPO and IPO markets set to break all global records in funding, AAG sees this as their opportunity to provide clients and the firm with a place right at the top. Alpha Apex Global Limited is a full-service Venture Capital Firm with its head office in Hong Kong. It has exclusive relationships with many large international investment firms and also has strong affiliations with major underwriters. The company’s reach means it attracts a broad range of clients throughout Europe, Asia, and the US. Alpha Apex Global Limited advises their international clients on domestic and global Initial Public Offerings and has extensive experience advising on blue-chip investment vehicles. With more than 140 partners and a abundance of experience within the financial industry, the company assists a wide range of international clients, advising across the full and diverse range of financial products through private funding rounds and ultimate exit, whether by M&A or IPO. Alpha Apex Global is active in the private equity market, advising equity investors and fund managers. The company’s

venture capital & private equity practice is supported by its leading intellectual property, technology, commercial, regulatory, and equity capital markets practices. Alpha Apex Global Limited has a unique set of design capabilities to construct and manage investment solutions through researchers and analysts, constantly scouring the market for the right opportunities on their client's behalf. This research is used to develop portfolios that are sophisticated and combine the skills of diverse investment managers among the very best in their related field. Alpha Apex Global Limited provides the best-of-breed top active managers with customised yet passive exposures to build a diversified portfolio for the company and their highly valued client base. They not only spread investment risk across asset classes and geographic regions but also across manager styles and techniques. Alpha Apex Global Limited aims to deliver more consistent performance over time with lower risk when compared to other financial instruments solutions. For more information, please visit:
